any of the said streets, alleys or other public ways and places. Should it become necessary for the Cooperative, in exercising its rights and performing its duties hereunder, to interfere with any sidewalk, pavement or any other public or private improvement, the Cooperative shall repair in a workmanlike manner such sidewalk, graveled or paved street, road, alley, or other public improvement after the installation of its poles, conduits or other structures. The Cooperative shall use due care not to interfere with or damage any water mains, sewers or other structures now or which may hereafter be placed in said streets, alleys or other public places, and will set no poles or other structures in the paved portions of the streets now traversed by U.S. Highway No. 149.

Section 3. The Cooperative shall so maintain its structures, apparatus, equipment, poles, wires and conduits as to afford all reasonable protection against injury or damage to persons or property therefrom, and the Cooperative shall save the Town harmless from all liability or damage and all reasonable expenses including reasonable attorney's fees and costs necessarily accruing against the Town arising out of the willful, wanton, or negligent exercise by the Cooperative of the rights and privileges hereby granted; provided, that the Cooperative shall have had notice of the pendency of any action against the Town arising out of such exercise by the Cooperative of said rights and privileges and permitted at its own expenses to appear and defend or assist in the defense of the same.

Section 4. If at any time it shall be necessary to change the position of any pole, conduit or service connection of the Cooperative to permit the Town to lay, or make or change street grades, pavements, sewers, water mains or other Town works, such changes shall be made by the Cooperative at its own expense.

Section 5. The Town shall have the right, without cost, to use all poles of the Cooperative within said Town for the purpose of stringing wires thereof for its fire alarm and police signal system; provided, however, the Cooperative assumes and shall be subject to no liability and shall be subject to no additional expense in connection therewith. It is further provided that the use of said poles by said Town shall not interfere in any unreasonable manner with the Cooperative's use of the same.

ARTICLE III

Section 1. The Cooperative shall furnish electrical energy within the corporate limits of the Town or any addition thereto, to the Town, and to such of the inhabitants thereof, or to any person or persons or corporations doing business in the Town or any additions thereto, in accordance with such rules and regulations and upon conditions as the Cooperative may by order of its Board of Directors establish.
