

City of Creede, Colorado Request for Proposal

For the Demolition and Removal of a Concrete Block Building located in North Creede

The City of Creede is currently soliciting proposals from qualified entities for the demolition and removal of a concrete block building located in North Creede. The building is approximately 1,242 square feet in size and may contain small amounts of asbestos and/or lead paint. **Removal is to include, but not limited to, the entire block building including: wooden trusses, flooring and floor joists, interior walls, insul board, metal roof sheeting, some concrete, and an outhouse.** All debris is to be hauled out and disposed of properly as per state requirements/regulations. Final rough grade of the site is to be completed upon debris removal. (There is a small, detached block building in front that is not to be disturbed during demolition). The work is to be performed and completed by May 27, 2022.

If interested, please submit a detailed cost estimate that includes demolition of the building as well as all costs associated with removal and disposal of the debris. Also, please include a brief demolition and removal plan with a timeframe for work performed. Proposals must be received by the City no later than 4:00 PM on Friday 2/25/22. Proposals may be emailed to publicworks@creedetownhall.com or mailed to City of Creede, Attention Scott Johnson, PO Box 457, Creede, CO 81130.

Visits to the site can be arranged by contacting the City of Creede Public Works Director, Scott Johnson, @ (719) 658-2276 ext. 4 or via email at publicworks@creedetownhall.com.
