# RESOLUTION No. 2023-30

## A RESOLUTION OF THE CITY OF CREEDE, COLORADO, OPTING IN TO THE STATE OF COLORADO PROPOSITION 123 AFFORDABLE HOUSING INITIATIVE

WHEREAS; the City of Creede is desirous of increasing its stock of affordable housing ; and

WHEREAS; opting in to the Proposition 123 initiative would allow Creede to avail itself of benefits that include land banking assistance, affordable housing equity, concessionary debt and capacity building ; and

WHEREAS; there is no financial commitment necessary on the part of Creede to participate in the Proposition 124 initiative;

NOW, THEREFORE, BE IT RESOLVED BY THE Board of Trustees of the City of Creede, A Colorado Town that:

**SECTION 1:** The Board of Trustees for the City of Creede, Colorado hereby chooses to opt in to the Proposition 123 affordable housing initiative.

APPROVED AND ADOPTED, this 26<sup>th</sup>, day of October 2023.

**DATE:** 10/25/2023

**TO:** Mayor and Board of Trustees

**FROM:** Staff

**RE:** Proposition 123

**REQUEST**

Staff requests that the Board consider the benefits of ‘opting in’ to Proposition 123 and direct staff to file the Town’s commitment.

**BACKGROUND**

Proposition 123 was a ballot initiative passed in November of 2022 which directed the state to form an affordable housing fund using .01% of state sales tax revenue. At the time, the initiative’s fiscal analysis estimated this would generate approximately \$300M per year. The bill specified that the funds must be used to support the creation of housing that serves households earning up to a maximum percentage of Area Median Income (AMI) – 60% for rental units and 100% for for-sale units. The tax fund accrual began in January 2023, and the first programs envisioned in the bill have started to be opened up for letters of intent and applications, though this summer is only considering awarding half a year’s worth of the full future annual amount.

Proposition 123’s ballot language directed the state to create specific programs administered by specific agencies (summarized in the table below). However, since this initiative was passed on the ballot and not as the result of consideration in the legislature, there were certain details that needed clarification. As such, during the 2023 legislative session, there were two amendments to the bill adopted, including the ability for rural resort jurisdictions (which Creede is) to petition to change the Area Median Income (AMI) limits that qualify for Prop 123 dollars.

<b>Department of Local Affairs (DOLA) through Division of Housing (DOH) – 40% of \$\$</b>	<b>Office of Economic Development &amp; International Trade (OEDIT) – 60% of \$\$</b>

**COMMITMENT & ELIGIBILITY FOR FUNDING**

A key provision of Prop 123 was the requirement that, in order for any entity or jurisdiction to be eligible to apply for Prop 123 dollars, the jurisdiction must ‘opt-in’ by filing a commitment with DOLA by November 1<sup>st</sup>, 2023. In other words, if Creede does not file a commitment, the Town government itself, nor any entity located within our municipal boundaries will be ineligible for Prop 123 dollars until another commitment opportunity in 2026.

There are two primary commitments entailed in opting in. First, Town is committing to increase its stock of affordable housing by 3% per year (not reported until the third year, therefore increase the stock by a total of 9% by 2026). This is calculated from the baseline – see below. Secondly, the Town commits to implementing, by November 1<sup>st</sup>, 2026, a ‘Fast Track’ approval process by which any development application (excluding subdivisions) that consists of at least fifty percent (50%) affordable housing units must be approved within ninety days (90) from the date of submission.

Should the Town not meet the 9% cumulative growth in affordable housing units, or not implement the Fast Track approval process by November 1<sup>st</sup>, 2026, it will be ineligible for funding in 2027, but may re-commit in 2027 and become eligible for funding again in 2028. Importantly, there is no risk or liability to Town for any funding received during this initial three year period if it does not meet these two commitments.

**BASELINE OF AFFORDABLE HOUSING**

Aside from the commitments mentioned above, the bulk of the work of opting in is establishing a baseline of affordable housing on which the 3% per annum growth commitment is based. The state statute of Prop 123 requires jurisdictions to use specific data sources to establish this baseline – the American Community Survey of 2017 – 2021 or census data. DOLA has created a web-based tool to help communities calculate the baseline. It is important to note that the baseline number established has no correlation to the anecdotal or locally verifiable number of housing units that are actually affordable to households earning 60% (for rental) or 100% (ownership) of AMI in Creede.

Using the DOLA provided calculation tool, which allows for taking interest rates and inflation (among other factors) into account, Creede’s baseline number is 59 units. Therefore, our per annum growth target is 2, or a total of 6 by November 1<sup>st</sup>, 2026.

This growth target can be met using any rental or ownership housing unit building permit approved during the reporting period that serves the eligible AMIs (60% for rental, 100% for ownership). Any unit built using Prop 123 dollars automatically counts as well. As mentioned above, sometime in 2023 DOLA will publish a petition process that Creede could submit to in order to increase the eligible AMI levels that count toward this growth target.

**COLLABORATION WITH OTHER JURISDICTIONS**

Another amendment to Proposition 123 that was passed in the 2023 legislative session was the ability for adjacent jurisdictions to 'share' the growth in affordable units reported during the reporting period. For instance, the unincorporated county may not have the ability to meet their growth target. So, Creede could, through an Intergovernmental Agreement (IGA), choose to share some of our qualifying units so that the county maintains their eligibility.

**BUGDET IMPACT**

There is no budget impact of opting in to Proposition 123 other than the minor staff time required to submit the commitment and tracking the growth in affordable housing units within the community.

**BOARD ACTION**

The Board may direct staff to submit the Town's Proposition 123 commitment.
