Hello,

My name is Miranda Dickinson, owner of Cabin and Gift in Creede. I am so excited to be a new business owner and part of an amazing community that is thriving and growing with tourism. My husband and I live in Oklahoma full time but we are looking to move to Creede full time in the next few years. In Oklahoma, I own a unique mobile business truck. Rivvy Roo, shop on wheels! Rivvyroo is a dream of mine to fill the truck with children with items that range from \$1.00 to \$50.00. I feel like Creede could use the mobile a store for Children in Creede. recreation because my idea would be to park the mobile truck somewhere near Basham park, or I am open to any ideas that would work. It would be staffed daily and offer storybook time and other events throughout the week to bring parents with small children to town. I am open to ideas and thoughts you may have. I look forward to hearing back soon.

Thanks,  
Miranda Dickinson
